

## CONTAINER TARIFF ZONE DELIVERY CHARGES

Container delivery rates will vary depending on numerous considerations. Some of these considerations may include:

-  The tariff-zone locations of both the container pick-up and delivery addresses.
-  The size of the container
-  The type of container (dry vs. refrigerated, etc.)
-  The number of containers regularly delivered to this address
-  The day(s) of delivery (i.e. weekday vs. weekend or holiday)
-  Customs and x-ray inspection services and
-  Possibly the specific freight-forwarder contracted
